

U.S. Application No.: NEW
PRELIMINARY AMENDMENT

ATTORNEY DOCKET: 3926.009

a1 24. (Amended) Process according to Claim 23, [thereby characterized, that] wherein the incompatible transmission lines are indicated in a transmission line list using a specific manner of representation or with a particular marking.

Please add the following new claim:

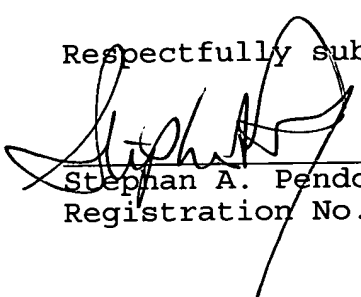

a2 --25. Process according to Claim 1, wherein said cable wiring structure is a cable harness.--

REMARKS

The specification and claims have been amended to conform the original translated specification and claims to U.S. requirements, i.e., appropriate section headers are added, reference in the specification to the claims have been amended in order to eliminate multiple dependent claims and claims improperly depending from multiple dependent claims, and to otherwise conform the claims to U.S. practice. Care has been taken to ensure that no new matter is added to the text.

Entry and favorable consideration prior to consideration are respectfully requested.

Respectfully submitted,
